

ACTIVITY: Surfing

CASE: GSAF 1994.00.00.a

DATE: 1994

LOCATION: The accident took place at Flagler Beach, Flagler County, Florida, USA.

NAME: Jeff Weakley

NARRATIVE: Jeff Weakley was paddling on his surfboard past the breakers when he heard a splash in the water. A shark grabbed his foot, shook it, then let go.

INJURY: Weakley, now the editor of *Florida Sportsman Magazine* in Stuart, said the bite "was not a serious injury, nor was it a life-altering experience."

TREATMENT: The surfer's injury required 25 stitches and he spent a month and a half on crutches, then returned to the waves.

SPECIES: Not identified
