Açores: pescador espanhol mordido por tubarão

A Força Aérea Portuguesa transferiu hoje para o Hospital da Horta, na ilha do Faial, um tripulante de um pesqueiro espanhol mordido por um tubarão quando pescava ao largo dos Açores.

Na operação de transferência do pescador do «Gedi», ocorrida quando a embarcação se encontrava a 350 milhas [648 quilómetros] a sudoeste do Faial, participaram uma aeronave de patrulha marítima «C-295» e um helicóptero «EH-101 Merlin».

O acidente foi participados às autoridades marítimas portuguesas às 18:02 locais (19:02 de Lisboa) de segunda feira e o ferido deu entrada no Hospital da Horta às 10:45 locais de hoje.

Azores: Spanish fisherman bitten by shark

The Portuguese Air Force today transferred to the Hospital of Horta on Faial Island, a crew member of a Spanish fishing boat who was bitten by a shark while fishing off the Azores.

Participating in the transfer operation of the fisherman from the *Gedi*, which occurred when the boat was about 350 miles [648 kilometers] southwest of Faial, were a maritime patrol aircraft C-295 and an *EH-101 Merlin* helicopter.

Portuguese maritime authorities were notified of the accident at 18:02 local (19:02 Lisbon) on Monday and the injured man was admitted to the Hospital da Horta at 10:45 local today.
