

ACTIVITY: Fishing

CASE: GSAF 2011.05.10

DATE: Tuesday May 10, 2010

LOCATION: The accident took place off Miami, Florida, USA.

NAME: Brian Storch

DESCRIPTION: He is a male from Michigan.

NARRATIVE: After Storch's girlfriend caught the shark, the couple asked the charter boat captain Mark "The Shark" to take a photo of them with the shark. A moment later the shark bit Storch's arm.

FIRST AID / TREATMENT: Mark and his crew bandaged and elevated Storch's arm, and headed for shore where they were met by paramedics who transported him to Jackson Memorial Hospital. A few hours later, Storch was released with several stitches on his arm.

SPECIES: The accident involved a sandbar shark, eight feet in length with a mass of 220 lbs.
