

ACTIVITY: Fishing

CASE: [GSAF 2015.10.08](#)

DATE: Thursday October 8, 2015

LOCATION: The attack took place in Inhambane Bay at Maxixe, Mozambique.
 23°51'45.43"S, 35°21'10.34"E

NAME: Alberto Rafael

BACKGROUND

MOON PHASE: Third Quarter, October 4, 2015. New Moon, October 13, 2015.

ENVIRONMENT: Two days before the attack on Alberto Rafael a boat carrying tourists was reportedly attacked by a shark near Tofinho beach. The next day, according to the same reports, a dolphin was found dead on the beach there with what looked like signs of a shark attack.

NARRATIVE: Fisherman Alberto Rafael was attacked as he left the water carrying a full basket of fish, and lost an arm as a result.

TREATMENT: As of October 21, 2015, he was still undergoing treatment in Chicique Hospital.
